Notification of Publishing Industrial Average Production Costs for Some Types of Color TVs

To color TV manufacturing enterprises:

To prevent actions of unfair price competition in the color TV industry and maintain a normal market order, the industrial average production costs of three types of color TVs, i.e. 21 inches, 25 inches, and 29 inches, are hereby published (see the attached table for details) pursuant to the Trial Measures to Stop Unfair Price Competition Regarding Color CRTs and Color TVs by the State Planning Commission and the Ministry of Information Industry. All color TV manufacturing enterprises are asked to seriously implement the costs. In the case where a manufacturing enterprise sells the products at prices lower than the published industrial average production costs to cause market disorders and harm the interests of other manufacturing enterprises, a harmed enterprise may file a report with the State Planning Commission or a competent department in charge of prices of a province, autonomous region or municipality directly under the Central Government. In the case where it is confirmed through investigation that there is indeed an action of unfair price competition, a competent government department in charge of prices shall order the responsible party to correct and impose penalties according to specific situations.
